CHOICE
FARMING LANDS
FOR SALE!

IN THE COUNTIES OF
KENT, ESSEX & LAMBTON

THE Subscriber has been instructed to offer by Private Sale, EARLY IN JUNE, the Lands situated in the above Counties, belonging to ARTHUR JOHN ROBERTSON, Esquire, Inverness, Scotland.

The Lots in the County of Kent consist of 62 Farms and 2,500 acres of Wild, or unimproved Lands. The Farms, varying in size from 25 to 600 acres, are situated in the Townships of

**Raleigh, Tilbury East, Camden, Harwich and
Dover, and Town of Chatham,**

All of which are most eligibly adapted for farming purposes, and their situations as regards natural advantages, fertility of soil and climate, cannot be surpassed in the Province.

Of the above, 54 farms lie in the Township of Harwich, contiguous to the shore of Lake Erie, one of the finest Agricultural Sections of Canada, capable of producing all descriptions of grain and root crops, and from their southerly exposure specially adapted for the breeding and raising of Stock; the geniality of the climate also permitting of the successful cultivation of the various kinds of fruit. Considerable attention is now being devoted to the planting of Grapes, which have arrived at great perfection in the neighborhood. There are excellent well travelled roads throughout the Township, and the distance from Chatham is only 12 miles, where the highest price has been paid for farm produce of any market in Ontario.

The projected Southern Railway will run through a portion of the Harwich property.

The lands in the County of Essex are situated in the Townships of
Sandwich East, Maidstone and Rochester.

And from their proximity to the Detroit River, are specially attractive to parties wishing to make a favorable investment.

For Further information can be had by applying, post paid, to
D. C. HOLBROOK, Esq., Attorney at Law, Detroit, Michigan; JOHN
J. J. THOMPSON, Esq., Chatham, JOHN McMICHAEL, Esq., Rond Eau
P. O., Ontario; or to

JAS. CRAWFORD,

7th April, 1869.

COUNTY OF KENT.

TOWNSHIP OF RALEIGH.

Town of Chatham.

\$75-
1. Lot 23, 1st Concession—contains about 200 acres; is beautifully situated on the River Thames, running back until it crosses the Great Western Railway. It is divided into Lots of 20 acres and upwards, all of which are occupied and in a good state of cultivation.

\$75-6 100
2. Lot 24, 2nd Con.; 200 acres—Is situated on the Gravel Road to Blenheim and Lake Erie, and within a short distance of the Great Western Railway Station; is divided into Lots of 50 acres, all of which are occupied and in a good state of cultivation.

Both Lots being within the Corporation limits of the Town of Chatham, one of most flourishing Towns in the Province of Ontario, are admirably adapted for Nurseries, Market Gardens, &c. The soil is of excellent quality, and from their advantageous position, being on the main thoroughfare, will soon be in demand for Villa Sites and Park Lots.

70-25
val much
3. Lots 2 & 3, 1st & 2d Cons., containing about 611 acres—Are situated on the River Thames, about 8 miles distant from the Town of Chatham. About 60 acres are improved and under cultivation; the balance is low land, but highly favorable for grazing. The soil is rich, and capable of producing heavy root crops. There is a dwelling house, stable, and outbuildings on the premises, and an Orchard in good bearing condition. Excellent Wild Duck Shooting can be obtained in the neighborhood.

\$25

\$15

61. South west half of lot 6, 2nd Con. West of the Communication Road—contains 100 acres, of which 30 acres are cleared, and in a good state of cultivation, with small board dwelling house and log shed.

62. East quarter of lot 6—contains 50 acres, of which 3 acres are partially cleared, with log dwelling house.

\$15

63. North quarter lot 6—contains 50 acres, of which 14 acres are in a good state of cultivation, with log dwelling house and two log outbuildings.

The land is good, and capable of producing excellent grain crops

\$30

\$30

64. South west half of lot 10, 2nd Con. West of the Communication Road—contains 100 acres, of which 60 acres are cleared, and in a high state of cultivation.

65. North quarter of lot 10—contains 50 acres, of which 40 acres are cleared, and in a high state of cultivation; with small log dwelling house and plank stable.

66. East quarter of lot 10—contains 50 acres, of which 20 acres are cleared, and in a high state of cultivation; with log dwelling house.

This is a very superior lot of land, situated on a high ridge, contiguous to the village of Blenheim, on the main road leading from Windsor to London. The soil is of the best description for raising all descriptions of grain and fruit crops, and being well watered, is admirably adapted for grazing purposes.

\$30

\$20

\$20

67. North east half of lot 10, 3rd Con. West of the Communication Road—contains 100 acres, of which 40 acres are cleared, and in a high state of cultivation.

68. North east half of south west half of lot 10—contains 50 acres, of which 3 acres are cleared, and 16 acres partially; the balance well adapted for pasturage.

69. South west half of South west half of lot 10—contains 50 acres, of which 10 acres are cleared and in a good state of cultivation, and 10 acres partially; with board dwelling house and 2 log outbuildings.

This lot is very favorably situated, laying contiguous to the village of Blenheim, on the main road from Windsor and London. The land is of very superior quality, well adapted for raising all descriptions of grain, fruit and root crops.

70. Lot 14, 2nd Con. West of the Communication Road
—contains 200 acres, of which 3 acres are partially cleared, with small
log dwelling house. Land low, but capable of being easily drained. Soil
good. \$9

71. Lot 13, 2nd Con. West of the Communication Road
—contains 200 acres; unimproved, land low. The main road from Chatham
to Blenheim passes through a portion of the lot, which adjoins the latter
village.

72. Part of lot 4, 2nd Con. Western boundary—contains
71 acres, of which 30 acres are cleared, and in a good state of cultivation;
it is situated about 2 miles from the Town of Chatham, near the line of the
Great Western Railway; the soil is of excellent quality. \$30

TOWNSHIP OF DOVER.

\$50
n
60
new an 73. Lot 21, Front Concession; 160 acres—is beautifully
situated on the River Thames—about 60 acres of which are cleared and in a
high state of cultivation. The buildings consist of a good dwelling house,
stable, barn, &c., and a good Orchard. From its proximity to the Town of
Chatham, being only one mile distant, it is well suited for the residence of a
country gentleman. The soil is rich and produces abundant grain crops.
This is one of the most valuable farms in the Western District.

\$12 74. Lots 2 & 3, West side of Baldoon Street—contain 100
acres each; are situated about 2 miles back from the River Thames, divided
into portions of 50 acres, on each of which there is a partial clearance.

\$12 75. Lot 20, 3rd Con., West side of Baldoon Street—con-
tains 200 acres; situated about one mile and a half from River Thames;
divided into 3 farms—one of 100, and two of 50 acres each—on each of
which there are partial clearances.

The land on the above lots is flat, but the soil is rich, and as the Township
Council contemplates the prosecution of extensive drainage operations during the
summer, they will become valuable for grazing farms.
